[Ernest Edmonde.] Not long ago it was the cry,

me;
Yes, I complained a little too,
Now, be cautious, so did you
Even the fair sex, they would fuss,
Because everything was covered

So was it in political life Just before the c mpaign strife,

Free silver shall have no range, Because,— 'The cry has changed. And many other things I see

And shown it so plain and true,
Till the cries have charge of you;
All crimes and wrongs to the Negro
belong.

Is no larger thanks and true,
but for some unknown crues did not but

And before him we shall appear Thus to know He is here,

BICH. HAPPY AND SUCCESSFUL

Brooklyh. Aug. 15, 1891.—This is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and on; of money. I had no luck in anything I undertook. What to do I did not know. A frience advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and trated me as a brother. Through him I got a good position that very week. I had been to others; they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, slek or in trouble to go to him at once. Sincerely

Albert Ayers, 2937 Atlantic Ave.

Brooklya, Aug. 15, 1891.—This letter is to certify that my husband had gone away and had been absent two years, I mourned for him night and day. I gave him up, as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well, and where he was, told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and i was almost insane. I went to Dr. Shea and he told me I would find my money and to may intense joy I did find it as he told me. I thank God there is a man so gifted in our midst that can help people and tell them what to do.

Sincerely, Mrs. Barrett.
